Two Men Lynched and Blood-Thirsty

Ruffians Looking for More

Victims.

KOREAN REVOLT IS GROWING.

San Francisco Chinatown Scene of

Desperate Battle of

Tongs.

CAIRO, Illinois, November 12.—This  
city is in the hands of a seething mob,  
the members of which have already  
lynched two men and are determined  
to take another from the hands of the  
sheriff and summarily execute him. One  
of the men lynched is a negro, who was  
charged with a brutal assault on a  
white girl, murdering her after his  
offense. He was lynched in one of the  
most prominent squares of the city in  
the presence of a mob of ten thousand  
people, his body being literally shot to  
pieces after he had been strung up,  
while the blood-crazed crowd danced  
and shouted.With him was lynched a white man,  
charged with having murdered his wife  
the crime having been a brutal one,  
the woman's head having been chopped  
off with an axe.After the double lynching the bodies  
were cut down and burned, the mob  
yelling its gratification at the sight.When the fires were blazing, a shout  
was set up for more victims and a por-  
tion of the mob began to search for  
another negro, in the hands of the  
sheriff, charged with complicity in the  
crime. The sheriff dressed his prisoner  
as a policeman and is attempting to  
get him out of the city. At midnight  
last night the mob was in full cry after  
the sheriff and his prisoner who had  
taken refuge in a house and were  
standing the crowd off waiting for the  
arrival of the militia. The local militia  
companies were guarding the resi-  
dences of the mayor and chief of po-  
lice.CHICAGO, November 12.—Governor  
Deneen expresses himself as greatly in-  
censed at the action of the Cairo mob,  
which has brought disgrace upon the  
State. He has ordered seven companies  
of militia to proceed to Cairo by spe-  
cial train to restore order.

KOREANS BRACING UP.

VICTORIA, November 12.—Mail ad-  
vices received yesterday from the Orient  
are to the effect that the revolt in  
Korea against the Japanese occupiers  
of the country is assuming large pro-  
portions and that the Korean patriots  
are making stands against the Japa-  
nese all over the kingdom.Last month three hundred and thirty-  
four "rebels" were killed in battle  
or died afterward of their wounds,  
while held as prisoners are one thou-  
sand and sixty-five. No report has  
been given out of the Japanese losses.

FIERCE TONG BATTLE.

SAN FRANCISCO, November 12.—  
Tong fighting of serious proportionsbroke out in Chinatown yesterday,  
armed bands representing the factions  
firing at each other in the streets and  
carrying their warfare into the shops  
and alleyways. The police were taken  
unawares. Before order could be  
brought about five Chinamen were  
dead and several wounded. Last night  
forty policemen and detectives patrol-  
ed the war zone to prevent a recurrence  
of the feud. Warrants for the  
tong leaders will be served today.

GEN. WESTON RETIRING.

SAN FRANCISCO, November 12.—  
Maj.-Gen. J. F. Weston, in command  
of the department of California, which  
department includes Hawaii, retires  
tomorrow.General Feston was born on No-  
vember 13, 1845. He received his first  
commission, as lieutenant in the 4th  
Kentucky Volunteer Cavalry, in 1861.  
He served with distinction in the civil  
war, receiving a medal of honor in  
1898 for bravery at Wetumpka, Ala-  
bama, where with five men he swam  
the river, defeated a force of the enemy  
and captured a steamboat loaded with  
military supplies. He has served under  
his present rank since October 8, 1905.

COLLAPSED IN COURT.

DENVER, November 12.—Mrs. Allen  
Read, who is charged with having at-  
tempted to kidnap Mrs. Phipps, the  
wife of Henry Phipps, a Philadelphia  
millionaire, and to extort from her the  
sum of one hundred thousand dollars,  
collapsed during her trial here yester-  
day. It is thought that she is dying.**BISHOP TRUST CO.  
LADIES DEPT.**The Bishop Trust Company, Ltd., beg-  
to announce that on January 1st, 1910,  
they will open a Ladies Department  
in connection with their Trust busi-  
ness, where ladies, desirous of saving  
money, or with property interests, or  
funds to invest may call or correspond  
and receive advice as to opening a  
bank account, putting their funds out  
at interest, buying real estate, stocks  
or bonds, or investing in any other  
class of security. Under the laws of  
the Territory a woman can hold prop-  
erty in her own right.The Bishop Trust Company feel that  
they have been fortunate in securing  
for this Department the services of  
Miss J. T. Macintyre, who is well  
known to the business community of  
Honolulu as the manager for eight  
years past of Bishop & Company's  
Savings Bank. Miss McIntyre will  
have an office in the Bishop Trust Co's  
building on Bethel street, where she  
will be found daily from 9 to 12, after  
the 1st of January.All accounts and transactions strict-  
ly confidential.The placing of thermometers in the  
police stations of Baltimore is prob-  
ably to aid the Magistrates in deter-  
mining the degree of guilt of prison-  
ers.—Baltimore News.

**AT THE THEATERS**The big crowd last night attended  
the Aloha park theater for a change,  
where Manager Love is starring the  
well known Wise and Milton minstrels.  
The place was jammed with people  
throughout all of last evening, and  
will doubtless continue to be the rest  
of this week. This feature in addi-  
tion to the program of moving pictures  
completes a program seldom if ever  
witnessed here for the money. Gen-  
eral admission to the theater has been  
fixed at 5 cents.

THE PRINCESS RINK.

The visiting sailors have been hav-  
ing a turn at the Princess rink these  
past two days, and great fun they have  
had. At evening the rink has been  
comfortably occupied by town people,  
and the fun has been kept up to a high  
point. The rink will be in full swing  
tonight and tomorrow night.

THE PARK TONIGHT.

"The Son Returnus" will be a fea-  
ture film at the Park theater this even-  
ing. Besides this there will be the  
usual number of good extras. The  
Verne and Armstrong engagement will  
end tonight, according to the present  
arrangement. Tonight they will have  
new songs and monologues, and the  
Melnotte sisters will appear in new  
stunts.

WAVERLEY DANCE.

There will be some extra music at  
the Waverley tonight, and the dancers  
will have a splendid opportunity to  
dance to their heart's content and to  
the best music in Honolulu. Nainoa's  
Kawailau Quintet Club is recognized  
as furnishing the best dance music in  
the city, and the club is fortunate in  
having Nainoa as the proprietor of the  
place. There has been a large increase  
in the attendance and the clientele of  
the place seem delighted. Last Satur-  
day night after the dance Mr. and Mrs.  
Nainoa invited everyone present to go  
out to his residence and enjoy a luau.  
It was accepted and the crowd went  
out in the last car.

THE BONINE.

There is a treat on at The Bonine  
tonight for the school children. This  
being the special evening set aside for  
their entertainment an interesting se-  
ries of motion pictures and optical  
slides of picturesque rural England and  
Scotland are to be shown and a repeti-  
tion of those interesting "snap shots"  
of Japanese. There will be also some  
pretty Hawaiian vocal music by Miss  
Akina which adds an additional charm  
to a delightful program.

THE ART THEATER.

Once again Messrs. Bailey and Law-  
son of the Art have shown themselves  
to be to the front, in that they have  
secured an extended engagement  
with the Wise-Milton combination,  
which same has just returned from a  
successful tour of the islands, where  
they have shown to good houses all  
along the line. It is hardly necessary  
to "puff" Wise and Milton, as theirreputation previously earned before  
Honolulu audiences is sufficient guar-  
antee, that one will get their money's  
worth at any of their performances.  
Then there is the "Banana Man" who  
also appears with this troupe and he  
is "as good as they make 'em" in his  
particular stunt. The vaudeville  
which the Art will present for the  
next two or three weeks is addition  
to the regular moving pictures shown  
every day. And all for the same price  
—no additional will be made for the  
Wise-Milton part of the programme.  
Think of it All for 10, 15 or 25c.  
just as you choose. In event of con-  
flicting statements, remember that  
the Wise-Milton artists and head lin-  
ers are at the Art and nowhere else  
in town.The feature film for Friday and  
Saturday is especially good as its  
title indicates. Memphis and the  
Maid is beautifully set and well pre-  
sented. Those who have read the  
story or heard the opera of Faust,  
will be agreeably reminded of this  
standard theme. Those who have not  
will do well to take the opportunity  
offered by the Art today and tomor-  
row. Remember the Wise-Milton ar-  
tists and the Banana Man in conjunc-  
tion with the regular picture program  
is a rare bargain at the figure charged  
for admission to it all.

NOT VERY SICK.

But you will be if you neglect to get  
relief from those dizzy, faint and hun-  
gry spells, hot flushes, shortness of  
breath, etc., which tell you your heart  
is weak, and unable to purify the  
blood. Dr. Miller's Heart Cure will give  
such relief, by strengthening the ner-  
ves and muscles of the heart. It's so  
sure that it is sold on a guarantee to  
refund price if first bottle fails to ben-  
efit.Property and income taxes must be  
paid on or before the 15th instant, or  
ten per cent. will be added.

YOU MAY HAVE NOTICED.

That your face goes red, you have a  
fullness in the chest, breath comes  
short and quick and feel a sinking sen-  
sation, when you walk fast, go up  
stairs, are excited or frightened. This  
is the first stage of heart disease, and  
must have immediate attention. Don't  
Cure, which will strengthen the ner-  
ves of the heart and restore it to health.  
Money back if first bottle fails to ben-  
efit.
